New Building

We are delighted that our new building started during the summer and that Phase One is underway.

We would like to thank you for your patience with the reduction in space on the site, there is a new drop off area planned as part of Phase One, details are in the buildings section on the website.

The Summer Works are almost complete, we are just waiting on a hatch beside reception to go with the intercom.

Extra-curricular events

Thank you to Oide Craig for organising the calendar and activities.

Congratulations to our LGFA team this week.

Board of Management

We will be in touch shortly looking for parent representatives for the new Board of Management. Parents can self-nominate and we may need to have an online vote.

TY students will be visiting the RDS for World skills

**Group 1 Wednesday
25th of September**

**Group 2 Thursday
26th of September**

**Group 3 Friday

Uniform

Please ensure all students have full uniform, shoes must be plain black.

Stationery

We are still getting deliveries on a daily basis, despite all orders being placed before the summer.

We are distributing stock as it arrives.

We have sent complaints to Procurement explaining that this is totally unworkable, we have yet to receive a response from suppliers.

Law Workshop

TY thoroughly enjoyed their workshop, they were apparently excellent at arguing!
